

MAXWELL ARBORETUM

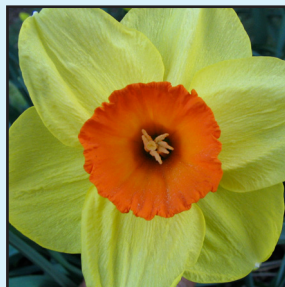

# 2011 WALKING TOURS

**Meet the 2nd & 4th Tuesdays at the Karl  
Loerch Gazebo at noon for hour long tours  
Beginning April 12<sup>th</sup>**

In the event of rain, that week's tour will be cancelled

Throughout the growing season, Maxwell Arboretum changes constantly. Keep up with what's happening with informal walking tours led by Emily Levine.

We'll see bulbs, spring-flowering shrubs and ornamental trees, as well as herbaceous perennials and large shade and conifer trees. Learn about botanical characteristics, care and maintenance, as well as the plant's place in history, folklore, and the arts.
